FUNERAL SERVICE OPTIONS

PAYMENT INFORMATION

We don't require a deposit or money in advance in order to book in the service date. After our initial meeting to discuss the funeral arrangements, we will send you a fully itemised invoice and request the full balance of the invoice to be paid 5 days prior to the funeral service date, this gives families enough time to discuss any issues, obtain the funds, contact solicitors and close bank accounts.

Payment can be made online by BACS transfer, cheque, cash or by credit/debit card excluding American Express.

DWP CLAIMS

Should you wish to make a claim for a contribution towards funeral costs through the DWP, we can offer advice and prepare an invoice as required for the process of application.

Please note that this payment is only a contribution toward the costs and won't cover the entire funeral invoice so there will be a balance to be paid by you.

The rules for eligibility for the DWP payment are quite strict so in the event of an unsuccessful claim, payment of the outstanding balance will be the applicants responsibility.

TERMS OF BUSINESS

ESTIMATES AND EXPENSES

The estimate sets out the services we agree to supply. This estimate is an indication of the charges likely to be incurred on the basis of the information and details we know at the date of the estimate. While we make every effort to ensure the accuracy of the estimate, the charges are liable to alteration particularly where third parties change their rates or charges. We may not know the price of a third-party charge at the time of making the arrangements. We will obtain these fees and itemise them on our final invoice. If you amend any of your initial instructions, an additional invoice will be issued.

PAYMENTS

The funeral invoice is to be paid in full 5 days prior to the funeral date, unless otherwise agreed by us. Proof of any insurance policies or solicitor involvement will be required if payment is coming from a third party.

DWP applicants will be responsible for the entire service cost and will be liable for any shortfall in the final payment they are awarded. The DWP payment is a contribution towards the cost so the difference must be paid before the service date as per our usual terms.
